ELEVATOR EMERGENCY LIGHTING SYSTEM

Model 003 Remote LED Emergency Light
 (P/N: ELS-300-003 includes power supply and (2) TWO 003 remotes)

EMERGENCY LIGHTING

ELS-300 by Man-D-Tec[®]

UNIQUE, PATENTED, EMERGENCY LIGHTING SYSTEM DESIGNED FOR MULTIPLE CAR STATIONS.

This patented, UL listed 6 volt emergency lighting system powers 2 of the Man-D-Tec model 003 compact remotes, and is ideal for elevator cabs with 2 stations (main and secondary).

Contains the following features:

Small remote design allows emergency code compliant lighting to be supplied in almost any drop ceiling application. For elevators with multiple stations.

Our NEW 003 remote provides significantly increased light output, due to our new high efficiency LED design.

Powers (2) two 003 remotes for cabs with multiple stations.
