ELS-500 by Man-D-Tec®

**UNIQUE, PATENT PENDING, 120V EMERGENCY LIGHTING SYSTEM, DESIGNED SPECIFICALLY FOR ELEVATOR APPLICATIONS.**

The ELS-500 is designed to be tough, and built to last! Converts normal cab lighting of incandescent, halogen, fluorescent or LED to emergency lighting in the event of a normal power failure. This patent-pending UL-listed 120VAC output emergency lighting system *powers your choice of one of the following:*

* Two (2) incandescent or halogen lamps up to 50 watts each (100 watts total) **OR**
* Two (2) fluorescent lamps up to 40 watts each (80 watts total) **OR**
* Two (2) LED lamps up to 40 watts each (80 watts total)

Provides a simple method of meeting code emergency lighting for various lighting designs by using the normal lighting fixtures.

Works with most existing lighting systems and Man-D-Tec systems.

**ELS-500®**

**SPECIFICATIONS**

**Power Supply (ELS-500)**

** BOX MATERIAL** 16 gauge powder coated steel  

** DIMENSIONS**  
- 13” Overall Length  
- 11” Overall Width  
- 8” Overall Height  

** CHARGER** Automatic  
Maintains peak battery condition  

** BATTERY**  
High Capacity, Sealed, 12 volt, Maintenance-Free, Long Life  
Exceeds A17.3 code 4-hour runtime requirement for emergency lighting  

** INPUT**  
Line Voltage (120 VAC)  

** OUTPUT**  
120 VAC  

** CUTOFF CIRCUIT**  
Prevents deep discharge from low voltage  

** TEST SWITCH**  
Verifies system function  

**For Use With:**  
TWO (2) INCANDESCENT OR HALOGEN LAMPS (UP TO 50 WATTS EACH, 100 WATTS TOTAL)  
TWO (2) FLUORESCENT LAMPS (UP TO 40 WATTS EACH, 80 WATTS TOTAL)  
TWO (2) LED LAMPS (UP TO 40 WATTS EACH, 80 WATTS TOTAL)  

**Features**  
Alarm terminals for 6 VDC & 12 VDC bell (250mA max)  
Inverter supplies 120VAC emergency power upon normal power loss  
Simple wiring (120 VAC input terminals & 120 VAC output terminals)  

**Alarm Bell**  
( Optional )  
**ESA-1™ (6 VDC) OR ESA-2™ (12 VDC)**  
The ELS-500 Emergency Lighting System is provided with alarm terminals. The optional ESA bells are loud gong style bells, providing up to 95 dB(A). Please specify this option when ordering.
