MACHINE ROOM KEY SAFE by Man-D-Tec®

HIGH-SECURITY MACHINE ROOM KEY SAFE, FOR COMMON KEY ACCESS TO MACHINE ROOMS.

This key safe lock box is rugged and built to last. Eliminate the need to carry multiple keys with this unit. Saves time looking for building manager; store machine room key while allowing common access. Designed with a simple door-mount and door-hanger. Includes theft resistant steel box and back plate. Cover is powdercoated black and the backplate is powdercoated grey.

DL-03™ shown mounted over door.
